Overview

13 May 2019, Shah Alam – The Malaysia International Metalworking and Machine Tool Exhibition, Metal Technology Expo 2019 (or MTE 2019) concluded with exhibitors reporting better than expected sales and business transactions. The sales generated at MTE 2019 are estimated to be well over RM 540 million.

The exhibition has attracted a total of 532 exhibiting companies from 27 countries and has garnered a national presence from Singapore.

The exhibition was held from 24 to 27 April at the one of its kind venue, the Setia City Convention Centre (SCCC), Shah Alam.

Dennis Lim, the Managing Director of MTE Exhibition Sdn Bhd said that “the 2019 exhibition has grown 35% in size compared to 2018, having added another one hall to its existing two. This is largely due to the larger participation from key industry players as well as the strong sentiments from the loyal, existing and new exhibitors we have in the Exhibition”.

"MTE 2019 not only raked in a substantial amount of sales but have also attracted a total of 9,728 quality trade visitors comprising of decision makers from various manufacturing sectors. This was brought about by strong support from the exhibitors, supporting organisations as well as a conducive exhibition venue."

With the tagline "Transforming Opportunities into Business", MTE 2019 aims to assist local players in boosting their presence through the exhibition by attracting an abundance of business contacts over the four-day exhibition and turning those opportunities into new businesses via a conducive business environment.

He further commented that "MTE 2019 have also Industry 4.0 solutions to visitors, providing them with a full insight to its applications in their daily operation, enabling them to implement improvements in their production processes and enjoy cost-effective workflow."

Exhibitor Analysis Report

Exhibit Profile

The Malaysia International Metalworking Technology and Machine Tools exhibition or METAL TECHNOLOGY EXPO (MTE 2019) is a four-day trade event that feature solutions in machine tools, metalworking and manufacturing technology.

The exhibition gathered **532** EXHIBITING COMPANIES from **27** COUNTRIES in one venue for a series of meeting, learning, networking and showcasing of the latest product ranges, trends and technologies in the market.

Profile of exhibits at the exhibition are:

- MACHINE TOOLS
- SHEET METAL TECHNOLOGY
- WIRE & TUBE TECHNOLOGY
- METROLOGY
- CUTTING TOOLS
- MOULD & DIE
- AUTOMATION TECHNOLOGY
- SOFTWARE & PROTOTYPING
- SUBCONTRACTING
- WELDING & CUTTING TECHNOLOGY
- SURFACE FINISHING
- HEAT TREATMENT
- MATERIAL HANDLING
- INDUSTRIAL TOOLS & HARDWARE
- ROBOTICS
- AIR COMPRESSORS
